SECOND REQUEST FOR CORRECTED OFFICIAL FILING RECEIPT

In response to the PTO communication dated September 2, 2005 (copy attached), Applicants respectfully request correction of the Filing Receipt for the above-referenced application to include the corrected Power of Attorney information.

Applicants filed a request for corrected filing receipt on August 26, 2005 along with a copy of the original filing receipt with red ink corrections and a Statement Regarding Power of Attorney (copy attached). The Statement Regarding Power of Attorney included the names and registration nos. of the Attorneys associated with that Customer No.

It is believed that the necessary requirements as listed in the PTO communication have been satisfied. Please supply a corrected Filing Receipt to the undersigned with respect to this application.

No fee is believed to be due. If, however, there are any charges or credits, please apply them to Deposit Account No. 06-1050.

Respectfully submitted,

Roberto J. Devoto

## Power of Attorney

In response to your request for a corrected Filing Receipt, the Office is unable to comply with the request because:

☒ The person or people whom you would like to add was not listed in the Power of Attorney that was entered into the application (to add one or more patent practitioners a new power of attorney is required), or the registration number was omitted from the Power of Attorney (the name and registration number are required for a patent practitioner to be made of record).

☐ The Power of Attorney you provided did not comply with the new Power of Attorney rules that became effective on June 25, 2004. See 37 CFR 1.32.

☐ The Power of Attorney you provided did not designate the Customer Number to be used for the Power of Attorney. If you would like the Power of Attorney to be associated with the practitioners associated with the Customer Number, a new Power of Attorney must be provided revoking the Power of Attorney that has been established and clearly requesting that the practitioners associated with the Customer Number be used for the Power of Attorney. Note the format of the PTO/SB/081 and PTO/SB/082, which are available on the USPTO Internet web site ([www.uspto.gov](http://www.uspto.gov)).

☐ The spelling of attorneys' names shown on the filing receipt must be corrected by contacting the Office of Enrollment and Discipline, (703) 306-4097.

☐ The filing receipt will only show up to 10 attorneys for the Power of Attorney, with the attorneys or agents with the lowest registration numbers being listed. If Power of Attorney was established before June 25, 2004 and more than 10 attorneys were appointed, the filing receipt will only show the 10 attorneys or agents with the lowest registration numbers, but all of the attorneys or agents on the Power of Attorney will be reflected in the Office's computer records and have been made of record. If 10 or fewer attorneys were appointed, all will be shown.

☐ Only one Customer Number can be designated for the Power of Attorney in an application. The Customer Number that was captured is the first Customer Number provided on the

— Power of Attorney document.

☐ The attorney requested is not available in the database. Please contact the Office of Enrollment and Discipline at (703) 306-4097 for more information.

☐ The attorney name that you are requesting does not match what was listed on your Power of Attorney. The registration number is the information that is captured from the Power of Attorney. To make this correction, you will need to revoke POA to the incorrect attorney and properly appoint the correct attorney.

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
